THE COLLEGE AT BROCKPORT
ADMISSIONS CRITERIA FOR
FIRST-YEAR AND TRANSFER COLLEGE STUDENTS
Admissions criteria beginning with the F17/S18 admissions cycle

ADMISSIONS CRITERIA FOR FIRST-YEAR STUDENTS

The College Senate of the State University of New York College at Brockport affirms the recommendation by Undergraduate Admissions that starting with the F17/S18 admissions cycle, the goal is to recruit and admit a first-year college student class that is diverse and able to succeed at the College while meeting planned enrollment numbers for budgetary purposes.

To be considered for admission, it is recommended that:

High school graduates complete the Regents program, or earn a minimum of 18 academic units (including the senior year).

- 4 English
- 4 Social Studies
- 3 College preparatory math
- 3 Science (one with lab)
- 4 Additional academic courses, which could include foreign language (three years of foreign language is highly recommended), math, science, English, social studies, fine art, or technology education.

To be considered for admission as a **regular admit** first-year college student, a high school graduate should have a minimum combined Critical Reading and Mathematical Reasoning SAT score of 1000 (1080 New SAT) and/or an ACT score of 21, and a minimum high school average of 85.

A regularly admitted first-year college student entering The College at Brockport starting with the F17/S18 admissions cycle may be considered for a scholarship if the combined Critical Reading and Mathematical Reasoning SAT score is 1100 or above (1170 New SAT) and/or an ACT score of 24 or above, high school average of 90 or better. High school rank may serve as a contributing factor in the admissions decision.

In addition to the regular admit first-year college student, it is recommended that students with a high school diploma, or equivalency diploma, who meet the aforementioned recommended criteria for academic units may be admitted to The College at Brockport starting with the F17/S18 admissions cycle in one of the following **special admit** categories subject to the condition that the percentage of special admit first-year college students should not exceed the goal of 20%.

Transition

The combined Critical Reading and Mathematical Reasoning SAT goal is a score of above 950 (1030 New SAT) and/or an ACT score of 18, and high school grade point of at least 85.

Exceptional Talent (Students who have a unique or outstanding qualities in such areas as athletics or the fine arts)

The combined Critical Reading and Mathematical Reasoning SAT goal is a score above 900 (970 New SAT) and/or an ACT score above 19, and high school grade point is above 80.

EOP (For students who do not meet the regular admissions criteria, but who do meet income guidelines set by New York State.)

1. If the student has completed 15 academic units, including a minimum one year of college preparatory

math (Course 1)

2. If the high school average is 78 or above.
3. If the combined Critical Reading and Mathematical Reasoning SAT score is 800 or above (930 New SAT) and/or an ACT of 16 or above.

ADMISSIONS CRITERIA FOR TRANSFER STUDENTS

To be considered for admission as a regular transfer student, Undergraduate Admissions recommends a minimum transfer GPA of 2.5 or higher in academic courses. However, in support of SUNY Seamless Transfer, Undergraduate Admissions will consider applicants between 2.0-2.49 GPA who demonstrate positive upward academic trajectory in their studies at other institutions of higher education. Any students in the 2.0-2.49 GPA range will automatically not be considered if they have indicated intent to major in oversubscribed programs at Brockport.

PROPOSALS TO ADDRESS OVERSUBSCRIBED PROGRAMS

In order to maintain quality, manage enrollment and thereby ensure ongoing student success, academic programs demonstrating continuous and increasing demand may request that the admission requirements and/or the admissions deadline for that program be adjusted. The proposal must be based on better serving students with the greatest potential for success in that program being mindful of the College's commitment to access and need to meet enrollment targets.

Department Chairs will submit proposals to the Dean who will make a recommendation of support and forward the proposal to the Vice President of Enrollment Management and Student Affairs and the Provost for consideration. A subcommittee of the Enrollment Management Task Force will be consulted. In all cases, continuous assessment of these admission requirements will be conducted and the results reported in the fall to the College Senate.
